EDUCATION

Doctor of Nursing Practice, Health Systems Leadership

Rush University, Chicago, Illinois

DNP Project: Reducing medication administration errors in acute and critical care: Multifaceted pilot program targeting RN awareness and behaviors

Master of Science in Nursing, Medical Surgical Clinical Nurse Specialist

Loyola University, Chicago, Illinois

MSN Project: The effect of tachypnea on oral temperature estimation: A replication

Bachelor of Science in Nursing

Marquette University, Milwaukee, Wisconsin

EMPLOYMENT

Clinical Associate Professor

July 2021-present

Clinical Assistant Professor

August 2015-July 2021

Population Health Nursing Science

University of Illinois Chicago College of Nursing

Specialty Program Co-Director, Health Systems Leadership Doctor of Nursing Practice (DNP)

May 2024-present

Student Engagement and Leadership Development Mentor, UIC Center for Advancement of Interprofessional Practice & Education

August 2024-present

Director of the DNP Program

August 2017-August 2019

Led the 12-specialty program director team in top ranked DNP program, 520 enrolled students, received 10-year CCNE accreditation (2019), built academic-practice partnerships to foster advance practice registered nurse clinical and systems leadership experiences
College of Nursing, University of Illinois Chicago

Quality Improvement and Patient Safety Consultant

Faculty Practice and Partnerships, UIC College of Nursing

August 2016-August 2020

Education & Quality Coordinator

Adult Critical Care (4 units), Surgical Service Lines (10 units)

Department of Professional Nursing Practice

Rush University Medical Center

July 2011-July 2015

Intensive Care Unit Educator and Staff Nurse roles in Medical, Cardiac, Surgical, and Burn Intensive Care

18 years practice in academic medical centers in Illinois, Arizona and Ohio

Instructor

August 1984-August 1986

University of Arizona College of Nursing, Tucson, Arizona

TEACHING

2022-present UIC College of Nursing, Doctor of Nursing Practice program:

Serve on DNP Essentials Task Force for competency-based curriculum revision; Revising core courses focused on program outcomes, processes to review core courses to eliminate redundancies, addressed content gaps and sequencing of courses to prepare DNP student for practice. Revising DNP project course as well as quality and safety courses.

2015-present UIC College of Nursing, Doctor of Nursing Practice program:

Lead faculty and student mentor for three sequential evidence-based practice core DNP project courses (predominately Quality Improvement/Patient Safety projects), 60-120 students/semester, consistent excellent student evaluation scores: Proposal Development for Translating Evidence to Practice (course developed); DNP Project Planning and Implementation; DNP Project Evaluation, & Dissemination. Health Systems Leadership course faculty: Quality and Safety Through Health Technologies, Advanced Systems Leadership; Human Resources and Organizational Behavior; Guest lecture in BSN leadership course on Healthcare Improvement and Patient Safety

QUALITY IMPROVEMENT AND PATIENT SAFETY (QI/PS) PRACTICE

UIC College of Nursing

2015-2023 Mile Square Health Center – Humboldt Park, UIC College of Nursing-led

Federally Qualified Health Center:

consult on medication and vaccine safety resulting in safer structures and processes; mentor student DNP projects in use of QI/PS methods, tools and

analysis; co-created tracer worksheet and training to prepare for Chicago Department of Public Health COVID-19 vaccine site visit resulting in no recommendations; promote continuous and sustained improvement in all DNP projects (patient throughput, academic detailing, vaccine safety including staff training and monitoring); mentor the UIC IHI Open School interprofessional students QI team ongoing project resulting in patients engaging in healthy eating; literature review by interprofessional students requested by UIH practice partner on intimate partner violence and human trafficking topics.

2018-2020 **Illinois Department of Corrections (IDOC)** consulting contract, **Project Director** for a team of consultants who developed and delivered a comprehensive quality improvement and patient safety plan for the 44,000 patient offenders in Illinois managed through 29 IDOC health care units, developed budget with UIC Nursing financial officer and managed resources, multiple next phase proposal revisions to accommodate the needs of two large state organizations and federal monitors to work together to deliver safe health care to incarcerated citizens in Illinois. Article featured in Weekly Highlights from AHRQ PSNet, August 17, 2022. <https://psnet.ahrq.gov/issue/health-care-quality-and-safety-correctional-system-creating-goals-and-performance-measures>.

2017- 2024 **Faculty development workshops** for 60 mentors to close knowledge gaps on QI/PS projects in 2017 and ongoing annual development; collaborated with UIC Office of Protection of Human Subjects to revise Determination policy related to DNP projects; ongoing informal faculty coaching on the DNP project

Rush University Medical Center

2014-2015 **Project Lead** to prevent unwanted sedation and respiratory depression adverse drug events in all patients receiving opioids for acute pain, organizational response to sentinel event alert from The Joint Commission, analyzed problem and developed solutions in collaboration with multiple stakeholders, delivered an on-demand program including integrated electronic medical record improvements for 3100 interprofessional clinicians resulting in increased knowledge and safe and sustained monitoring behaviors, gained resources for technical upgrades to support large program, policy change. Publication in *Journal of Nursing Administration* (2017) cited in revised guidelines by the American Society for Pain Management Nursing (2019)

2014-2015 **Project Lead** to reduce medication administration errors in acute and critical care (organizational goal to improve medication safety), 99 nurses trained in simulation pilot (system and human factors focused) resulting in sustained monthly increases in safe administration behaviors and 53% reduction in the likelihood of an error after the program

Project Lead Rapid response team improvement project, interprofessional simulation-based team trainings to prevent adverse events through early detection, workflow redesign for different environments, new policy to include internal and external workflows, shorter response times and improved identification of risk outcomes

2015 **Improvement Coach** Professional image of nursing in large academic medical center; Management Coach, Neuroscience ICU

2014-2015 **Tracer Team Lead** monthly tracers throughout medical center for reliability and accreditation readiness; Scribe for The Joint Commission surveyor in multiple offsite ambulatory clinics

2013 **Training Team Lead** accountable education for all critical care nurses to prevent central-line associated bloodstream infections using peer to peer audit and feedback

2012-2013 **Rush Way Performance Improvement Training** – 32-hour course improvement methods training and project application,
Project Lead to reduce medication omissions leading to adverse events in all critical care units, 20% reduction sustained for 9 months after program, electronic record integration and policy changes

2011-2015 **Annual Competency Training Lead** for 1800 registered nurses, revised Curriculum in 2014 to a competency-based quality and safety focus case study format resulting in self-reported competency validation scores improving from an average of 63% to 97.5%

AWARDS AND HONORS

2021 Excellence in Interprofessional Education Collaboration National Award, The United States Public Health Service (USPHS) and the Interprofessional Education Collaborative (IPEC). Honorable Mention in At Risk and Vulnerable Communities Category. The Excellence in Interprofessional Education Collaboration Award is presented to an interprofessional team of health professional students and/or faculty, whose interdisciplinary work has significantly impacted the community they serve. Project: Addressing Healthy Eating and Lifestyles in an FQHC: An Interprofessional Quality Improvement Project. UIC IHI Open School Chapter Quality Improvement Team; PI

First Place Team, University of Minnesota Center for Health Interprofessional Programs. Akurati, S., Arban, C.M., Neeley, J. & Finnegan, M. (April 2019). Borgers, F. & Durham, M.L., co-faculty mentors. Clarion National Case Competition on Homelessness. Service Case Competition Mentorship

Power of Nursing Leadership Pinnacle Nurse Leader Award, University of Illinois at Chicago (UIC) College of Nursing, 2018

Recognition from college as an extraordinary nurse leader

Teaching Scholar for the Center for the Advancement of Teaching-Learning Communities at UIC, 2016

Rush University College of Nursing Dean's Award for Academic Excellence, 2015

Rush University Medical Center Course for Excellence Award, 2015

Ebola treatment designated facility: co-lead of core emergency and ICU team training in personal protective equipment use and safety procedures in the simulation lab, led training team to flex to daily CDC practice changes

Sigma Theta Tau International, Honor Society for Nursing, 1986

Inducted Loyola University of Chicago, Alpha Beta Chapter

Dean's Research Award University of Arizona College of Nursing Tucson, Arizona, 1986

Recognition and small monetary award to continue work on temperature study

SUBMITTED GRANT

2024, February. Proposal Title: AGED-Dx (Advancing Geriatric Excellence in Depression Diagnosis)

Lead Unit: Biobehavioral Nursing Science-C (2-462000)

PI: Burt, Leah; Co-I: **Durham, Marianne**

Sponsor: Society to Improve Diagnosis in Medicine (not funded)

FUNDED GRANT

2019-2023. Yingling, C., Snyder, M., Handrup, C. T., Cotler, K. F., **Durham, M. L.**, & Rosenberger, K. D.T. Practice Ready: Partnership to Enhance Primary Care Nurse Practitioner Practice Readiness, Health Resources and Services Administration (HRSA), 20% work effort to Implement Rapid Cycle Quality Improvement Plan Do Study Act cycles to carry out the work of the project. (2.7 million)

FUNDED CONTRACT

2018-2019. Comprehensive Quality Improvement and Patient Safety Plan for the Illinois Department of Corrections Health Care Units [University of Illinois at Chicago College of Nursing, Consultant Partnership Project Lead, **Durham, M. L.**] (Total =\$532,000)

L.**, (December 2018). *Rising up for interprofessional engagement*. 30th Annual National Forum on Quality Improvement in Health Care, Institute for Healthcare Improvement. Orlando, Florida.

***Durham, M. L.**, Hershberger, P., & Yingling, C. (January 2018). *Accelerating improvement of a DNP project proposal writing course using quality improvement methods*. AACN Doctoral Conference. Naples, Florida.

***Durham, M. L.** & Normand, P. (December 2015). *Using mindfulness for critical thinking and safety*. 27th Annual National Forum on Quality Improvement in Health Care, Institute for Healthcare Improvement. Orlando, Florida.

PROFESSIONAL MEMBERSHIPS

2024 – present	American Organization for Nursing Leadership AONL)
2021 – 2023	American College of Healthcare Executives (ACHE)
2019 – present	Sigma Theta Tau International, Alpha Lambda Chapter, University of Illinois at Chicago
2018 – 2024	Member, National Organization of Nurse Practitioner Faculties (NONPF)
2017 – present	Member, National Association for Healthcare Quality (NAHQ)
2016 – 2022	Member, American Society of Professionals in Patient Safety (ASPPS)
2010 – present	Member, American Association of Critical Care Nurses (AACN)

SERVICE

University

2023-present	Co-Director UIC Center for the Advancement of InterProfessional Practice, Education and Research for Student Engagement and Leadership Development. Mentoring students across the seven health science colleges at UIC to lend their voice for planning and implementing interprofessional experiences for students, with a focus on community engagement, patient safety, and health equity.
2024 2017-2023	UI Health poster judge for UI Health Nurses Week 2024 Posters Co-Faculty Advisor UIC Institute for Healthcare Improvement Open School Chapter, mentoring student leaders from the seven UIC health science colleges on quality improvement and patient safety (QI/PS). Activities include QI/PS projects, educational activities and invited speakers.
2021-present	Annual Facilitator, Foundations of Interprofessional Collaborative Practice – UIC Interprofessional Practice and Education Office of Vice Chancellor for Health Affairs. The 2024 Foundations of Interprofessional Collaborative Practice synchronous immersion sessions will bring together over 1,200 students and 95 facilitators from UIC’s seven health sciences colleges and six campuses to explore interprofessional collaborative practice. This dynamic, immersive online session leads students and facilitators through a series of facilitated discussions and exercises built around the assignments completed by students during the asynchronous modules.
2019	Member, Office of the Vice Chancellor Chicago Campus Interprofessional Education (IPE) Curricular Pilot Day Committee, Immersion program, Foundations of Collaborative Practice, for Colleges of Pharmacy and Nursing

2017-2019 Interprofessional Education Immersion Day, faculty training, and facilitation of a group of approximately 900 students from across the university.
